**REAL ESTATE**  
BROKERS OF **BELIZE**

**FOR IMMEDIATE RELEASE**

**Announcement of Association Merger with the Belize National Association of Real Estate (BNAR)**

Belize City, Belize, December 6, 2022 - The Association of Real Estate Brokers of Belize (AREBB) is pleased to inform the media and the public of the signing of a Memorandum of Understanding (MOU) between AREBB and BNAR taking place tomorrow, December 7, 2022, in Belmopan.

The MOU outlines the path to a full merger of the two Associations that is expected to culminate within a six-month period. It sets out the responsibilities of each Committee within the Associations in carrying out a successful transition into one formal and democratic body.

This is a historic event and one that has been in the making for many years. It signifies an evolution in the industry and a recognition that by working together within the same industry we can ensure that all voices are heard that all opinions are taken into consideration, and that the best decisions are being made in guiding one of the most valuable industries in Belize.
