Central Bank of Belize Announces New Procedure for Exchange Control Approvals Unit for Portfolio & Capital Investments and Land Transactions

Belize City, Belize, 30 March 2022: The Central Bank of Belize (Central Bank) advises its clients and the general public that it will be implementing changes for the provision of confirmation notices from the Central Bank for Portfolio & Capital Investments and Land Transactions.

Effective, Friday, 1 April 2022, the Exchange Control Approvals Unit will only be accepting the electronic forms for Notice of Portfolio & Capital Investments and Transfer of Land.

All requests for confirmation of notices should be submitted to the Central Bank via email at capitaltransactions@centralbank.org.bz. In addition, the electronic forms are available for download in PDF Format on the Exchange Control Approvals section (found under the Financial System tab) of the Central Bank's website.

These changes are being implemented for the ease of doing business and data protection for our valued clients. The Central Bank remains committed to providing confirmation notices in a timely manner and assures the general public it will continue this best practice.
